

KMS HS Mifare Fob

The KMS HS Mifare fob provides all the benefits of KMS residential access control, together with additional security via Mifare technology.

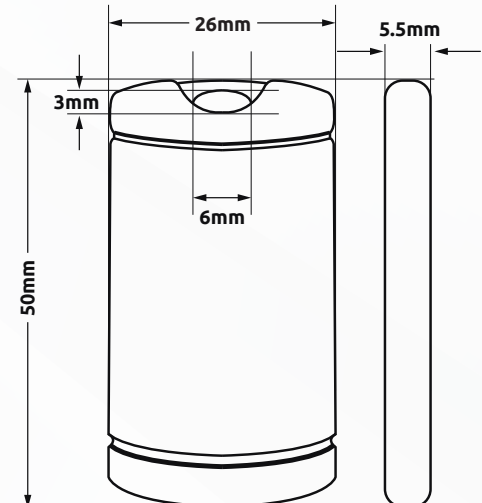

- **High security** developed using KMS unique Mifare based protocol, providing a significantly greater level of security.
- **Compatibility** with the KMS HS Reader taking advantage of the higher security.
- **Differentiation** available with 7 different colours, enabling identification between fob issued to an address or user type.
- **Robust** design for the UK housing providers and comes with a life time guarantee.
